

Nyoda Packing List

The "camp outfit" consists of navy blue shorts and a white shirt. Any shirt or sweatshirt with "NYODA" printed on it is acceptable as a shirt, otherwise a plain white shirt is required. This is worn about five times in 3 weeks. Shirts, sweatshirts and navy shorts are available for sale on Opening Day.

This list of items to bring has been designed by the counselor staff to insure that your daughter is safe and comfortable during her camp stay. The number for each item is a suggestion and is based on one laundry bag exchange. Please send everything on the list. Clearly mark each item with your child's name. Pack compactly; space is limited!
